

**JANUARY 2018**

**Good Morning**

First of all let me wish you all a very happy new year and let us hope it is a plentiful one. This year will bring a lot of new challenges but I am sure we will all overcome them weather, wage rises, fuel costs and of course Brexit! On the fruit and produce front we will endeavour to provide and supply the very best quality, service and of course price. We will be expanding our product range to include dried goods, catering sizes and all the morning and cheese goods available, so you can see GW Price is gearing up this year for all the challenges which might be thrown at us. Thank you for your loyalty last year and let's make 2018 even better.

*" I have no way of knowing how people really feel but the vast majority of those I meet couldn't be nicer, every once in a while someone barks at me, my new year resolution is not to bark back!*

Kind Regards

John Plant
