OCTOBER 2020

Good Morning

October is the start of Autumn, lots of fresh English local produce available. Sprouts are very good this month, red cabbage, leeks, savoy, January king, spring cabbage, cauli, pickling onions, beetroot, kale, rhubarb, chestnuts, marrows, pumpkins, all good main crop potatoes, courgettes plus Autumn fruits, blackberries, raspberries, black currants, gooseberries, so lots to chose from. I have just returned from Spain buying all our winter crops – iceberg, tomatoes, cucumbers, courgettes, leeks, peppers, that is why I am writing this in quarantine for 2 weeks. Please take a look at our website for lots of tin products, flour, pasta, blue rolls and so many cheeses and breads. Xmas is getting nearer and people are saying it is going to be hard, well here at GW Price we are going to try to make it as easy as we can. Look after yourselves and keep safe!

“A good life is when you assume nothing, do more, need less, smile often, laugh a lot and realise how blessed you are for what you have”.

Kind Regards

John Plant JP, MBE Chairman
