

**JANUARY 2021**

**Happy New Year to you all let us hope that this will be a great year for recovery in business and also health! We at GW Price are looking forward to all the challenges which a new year will bring, we have always tried to be in front of any situation which might occur in our business and it certainly paid off before Christmas when we had the trouble at Dover with all the lorries unable to get through as it did not affect us, we had already put plans in place in case of a no deal Brexit, so we had produce coming through Hull, fruit and produce flown into East Midlands airport, the way we did this was back in September when I was in Spain, France and Holland buying the produce and also paying in advance which guaranteed our full supplies and indeed I can say we did not go short of any product and more importantly we didn't let any of our great customers down with supply, that is what happens when you deal with a family run business who have been trading for 120 years this year. I know for some of you it as been extremely hard and we still have some way to go but we will be there to support you whenever you need us. A new year also brings a new distribution depot in Eckington with new refrigeration, up to date computer systems to help us serve you in the most professional way we can. I would like to wish a happy new year to you and all your family from myself, my family and my Directors, Managers and staff.**

***"The friend in my adversity I shall always cherish most. I can better trust those who helped to relieve the gloom of my dark hours than those who are so ready to enjoy the sunshine of my prosperity".***

**Kind Regards**

**John Plant JP, MBE Chairman**
