

JANUARY 2025

Good Morning and a very Happy New Year, 2025 looks like it will be a very challenging year for lots of reasons. The budget comes into play 1st April rising wages, National Insurance, Fuel costs, Energy all going to cost us more so we need to manage the problems like we always do, we will try to minimise the increases to a minimum by absorbing some of the extra costs ourselves that is why after 124 years we are still around, our excellent workforce and loyalty helps and we will continue to give you the very best quality and prices that we possibly can. I would like to wish you on behalf of myself, family and our great staff all the very best for 2025.

“ The best thing you learn from the worst time of your life is that you get to see the true colours of everyone “.

Kind Regards
John Plant JP, MBE, Chairman
